Dear Mr. Drange:

This email is in response to your Public Records Act (“PRA”) Request received on March 27, 2019. Under the PRA, the City, on its own, may extend the 10-day response period for up to 14 additional days because of the need to search for and collect the requested records, search for, collect, and appropriately examine a voluminous amount of records, to consult with other agencies having a substantial interest in the request, or, in the case of electronic records, to extract and compile data. Therefore, due to the nature of the request, the City will need additional time to request records, search for and collect, and will respond to your PRA Request by April 18, 2019

Please let us know if you have any questions or concerns. Thank you for your patience.

Tanesha Hudson
